

Level C

Integrated Workforce & Client Support

Cross-functional support designed for expanding organizations

Built for companies requiring broader support across workforce experience, client engagement, executive coordination, and operational logistics.

Service Options

Workforce Experience Support

- Programs focused on employee retention, productivity, convenience, and workplace experience.

Client Experience Support

- Hospitality coordination, VIP engagement, event support, and relationship management services.

Integrated Business Support Program

- Combined workforce, client, and executive support operating across multiple departments or locations.

Pricing Structure

Monthly

- Starting at \$7,500 per month

Yearly Program

- Starting at \$85,000 annually

Pricing scales based on:

- Number of employees supported
- Client engagement volume
- Multi-location support
- On-site staffing requirements
- Executive support needs
