

Level B

Small Business Support Program

Scalable support solutions for growing businesses and boutique firms

Designed for smaller organizations seeking ongoing employee, client, or executive support without adding internal administrative burden or full-time staffing.

Service Options

Employee Support

- Convenience, productivity, and workforce support services designed to reduce stress and improve employee experience.

Client Support

- VIP coordination, hospitality services, gifting, and relationship-building support for clients and guests.

Combined Support Program

- Integrated support for both employees and clients within a single service structure.

Pricing Structure

Monthly

- Starting at \$3,500 per month

Yearly Program

- Starting at \$38,000 annually

Pricing adjusted based on:

- Employee count
- Client volume
- Service frequency
- Number of locations
- Support hours required
